Dear YMCA Camp Kern Volunteer,

The Ohio General Assembly has passed legislation, Am. Sub. SB 187, that requires the YMCA and other organizations serving children to inform any volunteer who may have unsupervised access to children in YMCA programs that the volunteer may be subject to a criminal background check carried out by the YMCA. This check can be performed at any time and may include a request for volunteers to be fingerprinted and those prints run through the Ohio Bureau of Criminal Identification.

The policy of our YMCA is to complete a criminal background check for every new volunteer involved in the program. The YMCA also reserves the right to conduct additional background checks at any point in the future for as long as the volunteer is involved in YMCA programs.

If you have any questions or comments about this notice, please contact the YMCA Program Director, Volunteer Administrator, or Executive Director. Thank you for your interest in the YMCA and your willingness to get involved!

The YMCA of Greater Dayton has zero tolerance when it comes to the abuse and mistreatment of children, seniors, and other members of the Y family. The YMCA is aware that there may be people who want to work or volunteer here for the wrong reasons. We structure our programs so that no staff member or volunteer is left alone with a child or other vulnerable individual. We try to prevent any opportunity for abuse and we periodically interview children and others about their experiences in the program. We take all allegations, including those from children, very seriously. We refer all allegations for investigation, and we cooperate fully with any investigation. Wrongdoers need to know that this is a very risky place to attempt to abuse children or the vulnerable. This thorough process not only protects the people in our care, but it also minimizes the potential for false abuse allegations against innocent staff members and volunteers.

The YMCA of Greater Dayton is required, under Section 2151.421 of the Ohio revised Code, to report their suspicions of child abuse or child neglect to the local public children's services agency.

I understand that any violation of the Volunteer Code of Ethics and Policies may be grounds for removal as a volunteer. I have been informed of the YMCA's position regarding criminal background checks and child abuse. Being fully aware of the matters contained therein, I still desire consideration as a volunteer for the YMCA.
